

# Scavenger Hunt

Same as it ever was but use pictures for proof of item discovery.

**Ages:** All Ages

**Time:** 15-30 minutes (depending on difficulty of list)

**Materials Needed:** Cell phones with the ability to send and receive pictures, one per team and one for organizer, stopwatch

## Instructions:

1. Each team is given a list of hunt items previously drawn up by a local staff member.
2. A set of boundaries is in place to prevent teams from wandering too far from the main area.
3. As teams locate items they take a digital photos on their Cell phones and send it back to the coordinator.
4. The event coordinator notes what has been found by each team until one team has found all items.
5. Each team is timed and competes, not only against each other, but against all other teams. Quickest overall time per age group wins the challenge.
